Putting The Bible Into Practice:

Describe your most recent rescue story in detail. How have you seen God's divine orchestration in the events, people and timing surrounding your rescue?

The big idea from the sermon was "the living God rescues." What do you think is significant about the word "living" in King Darius' declaration of God in the context of Daniel 6? What significance does it have in our context today?

Challenge:

As we move closer to Easter weekend, remembering both the cross and the resurrected Jesus, who in your life needs to know and experience this rescue? Pray, ask God to show you who you may talk to about Jesus & invite them to attend an Easter service with you.
