LIVE IT OUT

Putting The Bible Into Practice:

What in creation fills you most with a sense of God's glory? How could it lead you to submit more to His instruction?

How does your view of God's law impact how you value it? How does the way you value God's law impact how you interact with & respond to it?

Where do you feel you need to grow most in your response to God's instruction - longing for His guidance, depending on His mercy, or being transformed by His love?

Challenge:

Read Psalm 19 each day this week. Choose one verse or thought that stands out to you & practice praying that one thought back to God 2-3 times throughout that day.

Life can be hard.
Everyone needs a little care.
