LIVE IT OUT

Putting The Bible Into Practice:

Read 1 Kings 22. Jehoshaphat made mistakes as a young leader. What are some leadership mistakes that you have made or observed? Read 2 Chronicles 17:6. What are some obstacles to God you need to remove in your life or those you influence? Why do people hold on?

How have you observed your relationship with God impacting you leading yourself and others? Reflect on 2 Chronicles 20:1-30 and the 5 principles at bottom of sermon notes. From these learnings what do you sense God calling you to focus on? Why & how?

Describe your experience seeking God's direction in community? Describe what you have learned about waiting for God's direction? What questions linger about this process?

Challenge:

Set or reset your direction to be a great God follower, a super listener & a Godly leader!
