LIVE IT OUT

Putting the Bible into Practice:

Read John 9:1-41. What intrigues you? Like the blind man, describe how you have come to know Jesus progressively over time. Read John 6:44, 9:35-38 & Acts 9:1-18. How has God pursued you? How has God opened your spiritual eyes & changed your vision? From 2 Corinthians 4:1-6, how did Satan blind the eyes of the Pharisees? How does he blind eyes today?

How have you come to know Jesus more fully in this past year? Imagine and describe the blind man's joy and gratitude? How does your gratitude to Jesus fuel your worship both in song and lifestyle? As Jesus lights up your world, what does He want you to see?

Which stories of Jesus' love, healing or transformation in your life will you share this week?

Challenge:

Memorize 1 John 1:5-7. Believe in the Light! Walk in the Light! Share your story!
