

GRACE
Acts 15 - 16:5

Big Idea: Jesus alone saves and calls us to live by grace.

1. It's grace: nothing more - nothing less (It's only Jesus).
2. Grace experienced is grace lived out.
3. Grace is sequential (The grace I get is then the grace I give).

Next Steps:

- Communion (Let's remember grace)
- Fill out my card (Let's give grace away)
- *Live It Out Together* (Let's grow in grace)

LIVE IT OUT TOGETHER | STUDY • DISCUSS • APPLY

Monday | Read Acts 15:1-5

Some Jews believed the laws of Moses, namely circumcision, must be observed to be saved. How does this view contrast to the truth? (Galatians 2:21) What requirements are added to salvation today? Do you feel the weight of having to earn salvation? Ask, "God help me see Jesus as totally sufficient!" And then thank him for his amazing grace!

Tuesday | Read Acts 15:6-21

Fill in the blanks to the following doctrinal statement: Salvation is by G_____ alone through F_____ alone in C_____ alone for everyone! (Eph 2:8, Acts 15:11) Summarize how the early church leaders argued this point. How did a life built upon God's Word help James embrace all believers? Ask, "God what do I need to rethink in light of your Word?"

Wednesday | Read Acts 15:19-35

James was led by the Spirit to a solution that upheld the truth of grace in action. What actions were the Gentile believers asked to graciously observe? How would those actions bring unity? What actions could you choose that would show grace to your co-workers, your small group, your extended family? How does receiving grace enable giving grace?

Thursday | Read Acts 15:36-41

While there is unity in essentials there is also liberty in non-essentials. Why did Paul and Barnabus disagree? Was one right? What positive things resulted from their disagreement? What actions can keep disagreements on non-essentials from harming kingdom growth? Ask, "God what is essential and nonessential?" Do this first in your next disagreement.

Friday | Read Acts 16:1-5

How is Timothy's circumcision a show of grace while other circumcisions were a show of compromise? Explain how this demonstrates 1 Corinthians 9:22. Displaying grace can be costly. Why would doing something you don't have to do allow the gospel to spread further? When has offering grace been costly to you? Pray, "God show me an opportunity to sacrifice my freedoms for someone else."
