

GROUP DESCRIPTIONS - SPRING 2022

Blended Families

As a remarried/blended family, you undoubtedly face unique challenges that you may not have expected.

These issues can frustrate your marriage, your parenting, and your step-parenting. Fortunately, these challenges are common to blended families and a group is a place to work through them together. “The Smart Stepfamily,” by Ron Deal, offers usable solutions for everyday living, practical tips for raising step kids, and ways to strengthen your marriage. Meet other “blended” couples, learn how to handle unique stepfamily challenges, and share your struggles and triumphs. This group meets Thursdays at 6:30pm in the Conference room.
