

Facilities Use and Reservation

We are happy to allow you the use of Two Rivers Church's facilities, which God has graciously put in our care. It is our ministry to serve you to the best of our ability in facilitating your event. We do this by providing the following support for all Two Rivers Church campuses.

1. Professional and on-time setup for events
2. Protection and maintenance of facility assets
3. Quality environmental and climate control maintenance
4. Timely scheduling and coordination of events
5. Facility security and safety assurance

Please read and understand the following requirements before completing your facilities request form.

WHO CAN USE THE FACILITIES?

Priority is given to events in the following order:

- Official church events (services, ministry events, small groups, church-sponsored events, etc.)
- Events sponsored and attended by active members or regular attendees of Two Rivers Church. These events may include weddings, receptions, showers, parties, dinners, reunions, etc.
- Personal events sponsored by all other persons or community organizations. These events may include graduations, banquets, recitals/concerts, non-profit or community groups, weddings, receptions, parties, etc.
- Use for business. As a spiritual and community organization, business, professional, and commercial events are not permitted at Two Rivers Church. This includes homeowners' associations and the use of Two Rivers facilities by an outside entity for audio/video recording and production use.

The leadership of Two Rivers Church reserves the right to reschedule certain events for those of greater priority to the church — with proper notice (although we do not intend to take advantage of that right.) In the case of any facilities use request, the leadership of Two Rivers Church reserves the right to make the final determination as to whether usage may be authorized. Individuals renting space must be 21-years and older.

HOW DO I RESERVE SPACE?

Use of any part of Two Rivers Church property, inside or outside space and/or equipment, must be requested and coordinated in advance with the Facilities Director. Two Rivers Church staff and ministry leaders should use the Planning Center Calendar to make their request. The reservation calendar can be found at <https://calendar.planningcenteronline.com/>.

Active members, regular attendees, and community members must request space by submitting a "Facilities Use Request" online at <https://2rc.tv/facilitiesrequest/>.

All requests should be made at least TWO WEEKS prior to your event, although we would prefer as much notice as possible. Any request made within two weeks of an event will be accommodated as much as possible but cannot be guaranteed.

All requests will be processed in order of receipt except for Two Rivers Church ministry events, which take precedence over non-ministry events. All events will be confirmed via email from the Facilities Director in a timely manner. A submitted request is not a guarantee that we will be able to fulfill your request.

Once the event has been approved, you must sign the [Facilities Use & Waiver of Liability Agreement](#), provide a certificate of insurance, and make a 50% deposit (or whole amount) to hold the reservation. Payments accepted are cash, check (payable to Two Rivers Church), money order or online via credit card. Once these items have been received, your event will be officially reserved.
