LIVE IT OUT | A DAILY DISCIPLESHIP GUIDE

Monday | Read Ephesians 6:10-24

My identity in Christ empowers me to live out supernatural strength. Underline every time Paul references "standing" in this passage. Where do I need to embrace Paul's admonition to be strong in Christ and the power of His strength? How do I think counter to this encouragement? Ask Jesus, "Where do I need to suit up in the truth of my identity?"

Tuesday | Focus on Ephesians 6:10-12

Living in spiritual strength requires recognizing the enemy is a spiritual enemy. How often are you aware of the spiritual realities of the battles of life? What relationships have conflicts that you write off the spiritual realm aspect? How does understanding who our enemies are influence what we should be "fighting" for? Ask Jesus, "Where do I need to see the spiritual realities in my relationships more clearly?"

Wednesday | Focus on Ephesians 6:13-18

Fighting a spiritual battle requires spiritual means. Don't memorize the armor; put it on. Instead memorize a passage that reminds you of who you are in Christ, such as Ephesians 2:1-10, or even the key phrases that help you remember your identity. Ask Jesus, "Where do I need to see the truth of the spiritual battle today?"

Thursday | Watch the Bible Project Spiritual Beings-Episode 7

Prayer engages the supernatural power of God in our world. How has this video series impacted your understanding of our spiritual battle? How has it impacted the way you pray? Ask Jesus, "Where do I need to live out the 'new humanity' you have given me?"

Friday | Review – listen to the whole letter Ephesians 1-6

My identity in Christ empowers me to live out supernatural strength. What does it mean to live out your identity in Christ? Write out one big takeaway from this series that you need to hold onto moving forward. Ask Jesus, "Where do I need to suit up in the truth of my identity?"
