2RC.tv/LiveltOut

Big Idea: To know God we must experience his salvation.

We experience salvation by believing God.

Salvation is the beginning of a new life lived with God.

Experiencing God's salvation compels us to *remember* and *tell* God's story.

## LIVE IT OUT | A DAILY DISCIPLESHIP GUIDE

### Monday | Listen to Exodus 12:29-13:16

To know God, we must experience his salvation. What are some things that set this plague apart from the first nine? How do you think this night shaped Pharaoh's view of Yahweh? Israel's view? How does it shape your view of him? Ask Jesus, "Who can I share my story with this week?"

### Tuesday | Listen to Exodus 12:29-13:16

We experience salvation by believing God. Where do you see different types of belief displayed in this story? How would you describe the difference between believing in God and believing God? When have you experienced that distinction in your own life? Ask Jesus, "What do I need to believe you about today?"

### Wednesday | Read Mark 10:46-52

Salvation is the beginning of a new life lived with God. Being healed from blindness or set free from slavery - these are enormous life changes. What would you say if Jesus asked, "What do you want me to do for you?" Belief, Salvation, and Following are central to this story and the Exodus story. How are those three playing out in your life right now? Ask Jesus, "Who can I ask about their story?"

### Thursday | Listen to Psalm 135

Experiencing God's salvation compels us to remember and tell his story. Finish this sentence: "God, only you..." Go back and listen to or read the Psalm a second time. Finish this sentence: Jesus, you are better than..." Listen/read a third time. Finish this sentence: "God, you saved me when..." If you're a parent, share with your kids (no matter what age!) the story of when following Jesus became real for you.

### Friday | Listen to Exodus 12:29-13:16

To know God, we must experience his salvation. How are you doing at remembering what God has done and sharing his story? What part of that is easy? What part is difficult? What steps can you take to make "remembering and telling" a habit beyond this week or this series?

Our office will be  
closed Monday,  
September 4th in  
observance of  
Labor Day.
