LIVE IT OUT | A DAILY DISCIPLESHIP GUIDE

Listen to this Week's Sermon
Live It Out Podcast- Flipped: Week 2

Monday | Read/Listen to [Matthew 5:1-16](#) | Worship to "Christ Be Magnified"

Living right-side up means letting Jesus realign what we value most. Let Jesus name the areas where power, comfort, or status have shaped your priorities more than humility, mercy, or righteousness. What are you learning about your true identity? How can you live your identity today? Ask Jesus, "Who in my life needs hope right now?" *Cinco de Mayo - Eat that Guac!*

Tuesday | Read/Listen to [Colossians 3:1-17](#) | Worship to "New Wine"

Owning our identity allows Jesus to reshape our priorities. How does your identity in Christ realign your priorities? Ask yourself, "What 'old self' attitudes or habits do I need to take off today?" Let the Spirit show you anything (i.e. anger, comparison, pride) that no longer fits your new identity. Ask Jesus, "What's one 'new self' attribute you want me to live out today?"

Wednesday | Read/Listen to [Isaiah 58:1-12](#) | Worship to "Make Room"

Living our priorities brings hope and transformation to the world. Where have I settled for spiritual activity instead of spiritual transformation? Where does my heart need to soften or be transformed? Don't just ask what needs to change in your heart, ask who might experience hope because you choose to live differently today. Ask Jesus, "Who around me is burdened, hopeless, or unseen? How can I step toward them today?"

Thursday | Read/Listen to [John 13:1-17](#) | Worship to "For The One"

Jesus didn't just tell his followers he loved them, he showed them. Jesus teaches us to love by bending low, serving others, and letting love speak louder than what we say. What does it look like for me to live Relationally Connected like Jesus? Consider how Jesus served from a place of secure identity, and ask how you can follow his example in one specific relationship. Ask Jesus, "How can I live honest, humble, and fully present today with _____?"

Friday | Watch [BibleProject Video "The Gospel of the Kingdom"](#) | Worship to "Won't Stop Now"

Living right-side up means letting Jesus realign what we value most. This video helps us see the bigger story: the good news isn't just about going to heaven someday, it's about living in the Kingdom of God here and now. The Kingdom of God is here and it transforms everything. What does it mean to actually live right-side up in a world that's upside down? How does it transform what you value most? Ask Jesus, "How do you want me to pray today about your kingdom coming to earth as it is in heaven?"
