

## Flipped: Turning the World Right-Side Up | Week 2 | May 4, 2025

**Scripture: Matthew 5:13-16**

**Big Idea: Living right-side up means letting Jesus realign what we value most.**

**Questions for Connection** (*Offer these to help start the conversation*)

1. If cost weren't an issue, what is one thing you'd like to own?
2. What's the longest you've been without power in your house? What caused the outage?

**\*Before the next section, stop and have someone invite the Spirit of Jesus to lead the discussion.\***

**Read Matthew 5:13-16**

1. What does it mean to "own" your identity in Christ? What's hard about that?
2. How do you think your presence as a follower of Jesus affects those around you? How could your presence as salt and light bring transformation in your family, workplace, or neighborhood?
3. What would change in your life if God's priorities were fully your priorities? Does it seem difficult to change any of your priorities?
4. What is the difference between living for influence and living to reflect God's light? Have your motivations ever become blurred in this area?
5. What are some small but meaningful ways to bring light into dark situations this week? Where and with whom?
6. Ask Jesus, "Who is one person I need to be a light for this week?"

### **Relationally Connected**

*"We are made for relationship with Jesus and other followers of Jesus."*

How can this group support one another in living with impact as salt and light?

**\*Make sure to spend time praying as a group before you end.\***
