Vision Weekend

Ruth 4:11-12

THE BIG IDEA

Every decision we make together
can be an investment in people we may never meet.

Stewarding our resources is an investment in people over programs.

Give and lead with the faith that Jesus will reach people you may never see.

Where are we headed this year?

1. Catalyst Campaign and the transformation only Jesus brings.
2. Launch of the Oak Ridge Campus.
3. Invest in church planting infrastructure.
4. Develop and equip our church to lead and serve.

LIVE IT OUT | A DAILY DISCIPLESHIP GUIDE

Listen to this Week's Sermon
Live It Out Podcast - Under Construction: Week 5

Monday | Read/Listen to Ruth 4:1-12 | Worship to "Been So Good"
Every decision we make together can be an investment in people we may never meet. Boaz publicly stepped into redemption alongside the elders and the community at the city gate. Why do you think God often works through the shared faithfulness of his people instead of isolated individuals? Who in your life might be affected, for better or worse, by a decision you're currently facing? What would it look like to factor their future into it? Ask Jesus, "What decision am I treating as ordinary that you might be using as something much larger?" Members can vote until noon today at 2RC.tv/ballot

Tuesday | Read/Listen to Acts 6:1-7 | Worship to "King of Kings"
Stewarding our resources is an investment in people over programs. How does this passage encourage you to see generosity, serving, and leadership as part of God's work of reaching people? Where do you see opportunities for you to participate more fully in the mission and work of the church? Is there a step you need to take to live this out? Ask Jesus, "What have you given me that you want me to invest in your people?"

Wednesday | Read/Listen to Hebrews 11-12 | Worship to "Elohim"
Give and lead with the faith that Jesus will reach people you may never see. Every person in chapter 11 acted on a promise they couldn't fully see, and chapter 12 tells us they're still watching. Where are you holding back because you can't see how something will turn out, or because you won't be around to see it pay off? Who in your life is quietly counting on your faithfulness right now? What would it mean to "run the race" with that person in mind? Ask Jesus, "What is stopping me from giving to a future I may never see?"

Thursday | Read Psalm 78 | Worship to "No One Ever Cared For Me Like Jesus"
The psalm opens with a charge to pass the story down, then shows how Israel kept failing to do it. What pattern stands out to you? What keeps breaking the chain? Who is one person you could pass something significant down to? What is it, and what's keeping you from doing it? What would you want someone who comes after you to say they received from you? Ask Jesus, "Am I giving to preserve something, or to pass something on? Show me who I'm actually investing in."

Friday | Read/Listen to Ruth 1-4 | Worship to "Washed"
Every decision we make together can be an investment in people we may never meet. What is Jesus teaching you right now through the story of Ruth? What are you learning about redemption? Faithfulness? Loving kindness? What has challenged you? What has encouraged you? Ask Jesus, "What do you want to shape in me through ordinary faithfulness?"
